Lyster Army Health Clinic

255-7359

Expired Medication drop-offs.

Clinic Closures: Wednesday, April 17 at noon for training.

JOES Surveys: If you receive a Joint Outpatient Experience Survey, please fill it out and return, letting LAHC know about your recent experience. Your response helps the clinic know what improvements can be made and what the clinic is doing well.

Yoga: Free to everyone. Every Mon, Wed and Thurs, 11:45 a.m. to 12:45 p.m., V-117. **Zumba:** Every Tues and Thurs, 4:30 p.m., V-117.

Current News and Information: Visit Lyster's Facebook page @LysterArmyHealthClinic and our website for the latest clinic information, closures, updates and news at lyster.amedd.army.mil

Directorate of Public Safety

255-0405

❑ Avoiding Rape and Sexual Assault:

- Remember 80% of sexual assaults and rapes are perpetrated by someone known to the victim.
- Whenever possible travel day or night in pairs. In a big parking lot at a store, mall, etc. park where there is good lighting, closest to where you want to go. Lock your vehicle at all times when you are not in the vehicle.
- Before getting into your car in a parking lot, or parking garage look around your car, look into your car, look at the passenger side floor, and also look in the back seat.
- Look closely at the cars parked near your car. If a male is sitting alone in the seat near your car you may want to walk back into the business, store, work etc. and get a guard, policeman or a friend to walk you to your car.
- Women have a tendency to get into their cars after shopping, working, etc., and sit behind the wheel (checking their emails, making a list, etc.). The predator is watching you, get in your car, lock the doors and leave.
- If a friend exhibits symptoms of a date rape drug; dizziness, nausea, memory loss, breathing or motion difficulties, and acting disproportionately relative to the amount of alcohol consumed seek medical help immediately.
